Summer Golf League COST

The cost is variable depending upon the number of golfers in each group for a given week.

1 golfer = \$240 / week, 2 golfers = \$180 / week, 3 golfers = \$150 / week 4 golfers = \$140 / week

Please coordinate with each other to make this more fun and affordable for your golfers! Many of these golfers enjoy playing together, and this is an excellent opportunity for them to play, improve their games, socialize, and stay away from screens, (an added bonus!). They can also get lunch together at Anthony's on the Green following golf.

Select your dates ASAP since space is limited. Costs will be calculated based upon the number of golfers, and an email will be sent out with the final count by June 25th. Registration fees must be paid by June 30th. Make checks payable to Michelle Tate.
